Call to order at 6:33 pm, by David O'Leary.

Present Rabindra Singh, Heidi Brown, Steve Agnew, Kalpesh Patel and Veer Patel. Regrets Kathy VanTassel and Audrey Norman, Matt Abbott, Chantal Vincent, Stephanie Archer

David went over what the PSSC is and he presented the power point presentation: An Introduction to the PSSC 2022.

SIP was given out to the members and explained and David gave an update on staffing.

New business: LLO was discussed and explained to the members.

High school renewal: impacts the class of 2026. Students take credit courses in Grade 11 and 12 and grade 9 and 10 is exploratory and isn't focused on credits. Currently need 18 credits to graduate. When the class of 2026 comes, students will need 100 credit hours and 3 years to obtain the 100 credits. This is going to open up personal option courses for students and also give them more time to obtain the 100 credits. To be launched on December 9th by the government. Lead teachers are Kathleen Clarke, Joseph Lee, Audrey Norman and David O'Leary.

David handed out the Highlights of the year for this reporting period.

Possible meeting on Wednesday December 14/15 at 6:30 pm Rm 201
