April News

Vincent Massey Elementary

Student Attendance

At VMES we believe that student attendance is very important. Statistics show that attendance at school is directly related to educational success and success in life. Students and staff have been brainstorming ways to encourage kids to attend each and every day. For more information about the effect of attendance on student success check out boostattendance.org.

ASD-S Communication Survey Results

34% of our families surveyed preferred e-mail for communication and 24% of our families preferred voicemail.

Thank you to Breakfast for Learning and Joey at our local Save Easy for their continual support of our healthy snack program. We could not do it without you.

THANKS FROM OUR STUDENTS!

Canada's Food Guide

Canada's food guide recommends eating well and being active every day as part of a healthy lifestyle. For more information and to get your copy of the guide, visit; [healthcanada.gc.ca \foodguide](http://healthcanada.gc.ca/foodguide)

The Resiliency Wheel

Planning a vacation ?

Next year's school holidays are Dec. 23 (half day of school) until Jan. 9. March Break 6-10. April 14-17. There are only 185 days of the year that students are required to be in school.
