Vincent Massey Elementary School
St. Andrews, NB

PLEASE
PLACE
STAMP
HERE

Please make our school accessible for all children and our community. Our school gym, cafeteria, washrooms, and entrances do not allow persons with physical disabilities independence or to use our facility with dignity. Our school must use other locations for sporting events, plays, ceremonies and concerts as our gym does not have a stage, space to watch sports or adequate acoustics. We have no equipment room or changing rooms. Our 1922 space was donated to the province and was never built to be an elementary school gym. Please help us provide a healthy inclusive space for children to learn.
