## Principal's Message

Vincent Massey Elementary School is a place where everyone is valued. Collaboration with our stakeholders is a priority and progress is a result of a team approach. Volunteers and community involvement is appreciated.

Student strengths are capitalized upon and their leadership skills are developed. Students are encouraged to lead their own clubs to demonstrate their unique hobbies and interests, and to share them with others. Students can apply for Leadership Awards to recognize their commitment to their school and community.

We look forward to working together with you to ensure that VMES is a great place to share, grow and succeed. We welcome your feedback and creative ideas. Vincent Massey Elementary is a remarkable place to work and learn.

Sincerely,  
Lesley O'Leary  
Principal of VMES
