

St. Stephen Elementary School is hosting a **Welcome to School Open House and Barbeque** on **Wednesday, September 02**. This will be ongoing from **4:30-6:30** so you are able to drop in at a time that is convenient.

Students will have an opportunity to meet their teacher, visit their classroom and tour throughout the school. Teachers will share information with parents regarding classroom routines, procedures and grade level expectations.

Children are encouraged to bring along their school supplies during this event.

Families can also join us for a BBQ on the playground area. The Parent School Support Committee chairperson will be on hand in the Library to explain the role of PSSC and ask for your support and membership. This is a great chance to get involved with your child's school.

It will be exciting to see you at our Welcome to School Open House and BBQ Event on September 02! Enjoy the rest of your summer!
