

# KEEPING OUR KIDS SAFE ONLINE

Ray Simpson, ASD-S Senior Information Technology Lead, and Moira Sherwood, ASD-S Coordinator of Skilled Trades and Technology, will share information about websites that are popular with youth, how to change cell phone and computer settings to increase privacy and apps parents can access to learn more about their child's online activity. Shara Munn, Crown Prosecutor, will share the legal implications of online activity including the posting and sharing of images. Local educators will highlight grade level curriculum related to the use of technology.
