September 2014

Dear MES Families,

We are very excited that we are able to send home our skating schedule for the 2014/15 school year, which will take place in the Garcelon Civic Center! Please make note of the dates when your child's class will be going.

Students who are on the ice are required to have a helmet, skates, and mittens or gloves. We do have a number of skates and helmets here at the school for students to borrow, if needed. (Please indicate in your child's agenda what size skates they will need and their teacher will be able to have that ready the day before.)

As always, we love to have adult family members join us at the rink to help tie skates and/or skate with us. We will be picked up at MES by 12:15 on those days and should be ready to skate by 12:30. We will skate until 1:30 and then return to MES.

See you at the Civic Center!
