

MES PSSC Minutes – Monday Feb 3, 2014

2. a. School Supplies – If the school purchases the supplies, what if people don't pay? We can't make everyone happy; either way, we will still be annoying some people. The teachers suggested that in the fall, in kindergarten, give the parents an option of \$24 or the list – and go from there.  
b. We can get a student planner for \$5 or less from Learning Advantage.  
c. Playground Committee – Bob looked at SSES. Bob is forming a committee. Along with parents, we would like one or two staff on it and a couple of students. We need a piece of equipment for children age 5-8. Heather will send out a synervoice to parents.  
d. Bussing Question – Re 2:00 pm bus in Elm Park, Bob reported that it is not in the budget and it wouldn't be far enough away. Bob is going to talk to Dave Breault, again, to get more information.
  
3. d. PSSC agreed to continue to direct PSSC fund to Synervoice.

Other:

Suggested to ask a few families why they didn't go to "Free Birds" movie. Idea – outdoor movie for spring.
