

KEEPING SAFE

The “Kiss and Drop” area is where parents can drop their children off when driving them to school. To keep this area safe, the “Kiss and Drop” is a **NO PARKING ZONE**. If you want to enter the school with your child, there is ample parking available at the Border Arena for you to park. We expect parents, guardians, and visitors to follow the traffic pattern so that all students are safe.

Thank you for helping us keep all students at St. Stephen Elementary School safe!
