I. Interpretation:

This policy means we will be transparent and ensure that our District Improvement Plan (goals, strategies and timelines) will be posted on the ASD-S website as well as our achievement data.

II. Evidence:

The complete District Improvement Plan is posted under “About Us” on the ASD-S website. The annual monitoring reports on the ENDS policies are included in the DEC meeting materials on our website. Following the presentation of provincial achievement data, the power point is posted to the ASD-S website. The school and District websites are also linked to the provincial achievement results. All quarterly financial reports are posted with DEC materials on the website as well as year end reports going forward. The website also has a section for parent resources and programs offered in ASD-S.

There are two components to the Council’s assessment of a monitoring report:

- i. Assessment of whether the Superintendent has made a **reasonable interpretation** of the Council’s policy; and
- ii. Assessment of whether the Superintendent actually has **demonstrated achievement** of a reasonable interpretation of the policy.
