As a follow up to the Anglophone South School District Education Council Meeting of September 12, 2018, please be advised that the following motion was approved by Council:

“...that Council declares the piece of land as outlined in the attached drawing and located behind St. Stephen Elementary School as surplus with the condition that a permanent 20’ treed buffer and fence be maintained between the project and the school.”

The request to declare this land surplus was made by Gerald Disher of St. Stephen who intends to develop the property as a housing development.
