Ms. Zoë Watson
Superintendent
Anglophone South School District
490 Woodward Avenue
Saint John, NB E2K 5N3

Dear Ms. Watson:

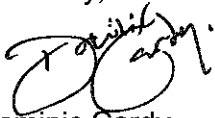

Thank you for your letter on behalf of the District Education Council (DEC) for the Anglophone South School District in which you advise that the following motion was approved by Council:

Council direct the Superintendent to inform Minister Cardy that we intend to study School Sustainability at Morna Heights School. This will allow us under the department's Policy 409 - Multi-year School Infrastructure Planning - to begin the public consultation process to gather community and stakeholder input to the recommendation.

This information is appreciated. In keeping with the direction of Policy 409, I am confident the DEC will conduct an open and transparent study. The Director of the Educational Facilities and Pupil Transportation branch, Mr. Thomas Weber, and the Department of Education and Early Childhood Development staff members are available to assist the district in your endeavor. Mr. Weber may be reached by e-mail at: Thomas.Weber@gnb.ca or by telephone at (506) 457-6703.

I am grateful for the efforts of the DEC and school district staff for the continuous management of school resources to the benefit of the students and community.

Sincerely,

Dominic Cardy
Minister
