

School Operational Plans

December 9th, 2020

Each school was provided a COVID-19 Operational Plan template, created in consultation with:

- Department of Education and Early Childhood Development
- Public Health
- WorkSafeNB
- ASDS Representatives

The schools modified the template to their specific school layout and needs.

Applicable schools utilized their Joint Health and Safety Committees to aid in the development of these plans.

 ASD-S Anglophone South School District		COVID-19 OPERATIONAL PLAN FOR SCHOOLS	
<p>To ensure each school environment safety applies risk mitigation measures consistent with Public Health guidance and the <i>Occupational Health and Safety Act</i> and Regulations. All schools, and district offices, must develop a written COVID-19 Operational Plan to provide the safe environment needed for students and staff. Refer to EEOC's <i>Return to School, September 2020</i> document and its appendices for primary support for the requirements listed below. This completed document shall be submitted to Clare Tooley, clare.tooley@asds.nb.ca for review by INSERT DATE. It will then be signed off by Zoë Watson or John MacDonald and returned to the principal for implementation and distribution.</p> <p>The following is intended to provide a check list with spaces for site-specific point for each main topic area and resources to help the plan owner, the principal, outline each school's Operational Plan. Communication plans must consider and include staff, students, parents/guardians, visiting community professionals, and public. District Occupational Health and Safety Coordinator is expected to be primary support with staff and students in consideration. School Joint Health and Safety Committees (JHSCs) should be considered integral to preparations and support for September operations and beyond.</p>

COVID-19 Operational Plans are reviewed monthly by the Principal and JHSC *as applicable* and uploaded to the school website. It is available to parents, public, and district staff to review. All changes are tracked within the plans.

ASDS school COVID-19 Operational Plans outline the protocols in place from the moment you come in the door, to the moment you leave the school.

Sections are as follows:

Section 1 – Risk Mitigation and Rationale

Section 2 – Communications

Section 3 – Risk Assessment

Section 4 – Building Access

Section 5 – Screening

Section 6 – Physical Distancing

Section 7 – Transition Times

Section 8 – Cleaning and Disinfection Procedures

Section 9 - Hand Hygiene and Cough / Sneeze Etiquette

Section 10 – Personal Protective Equipment

Section 11 - Occupational Health and Safety Act and Regulation Requirements

Section 12 – Outbreak Management Plan

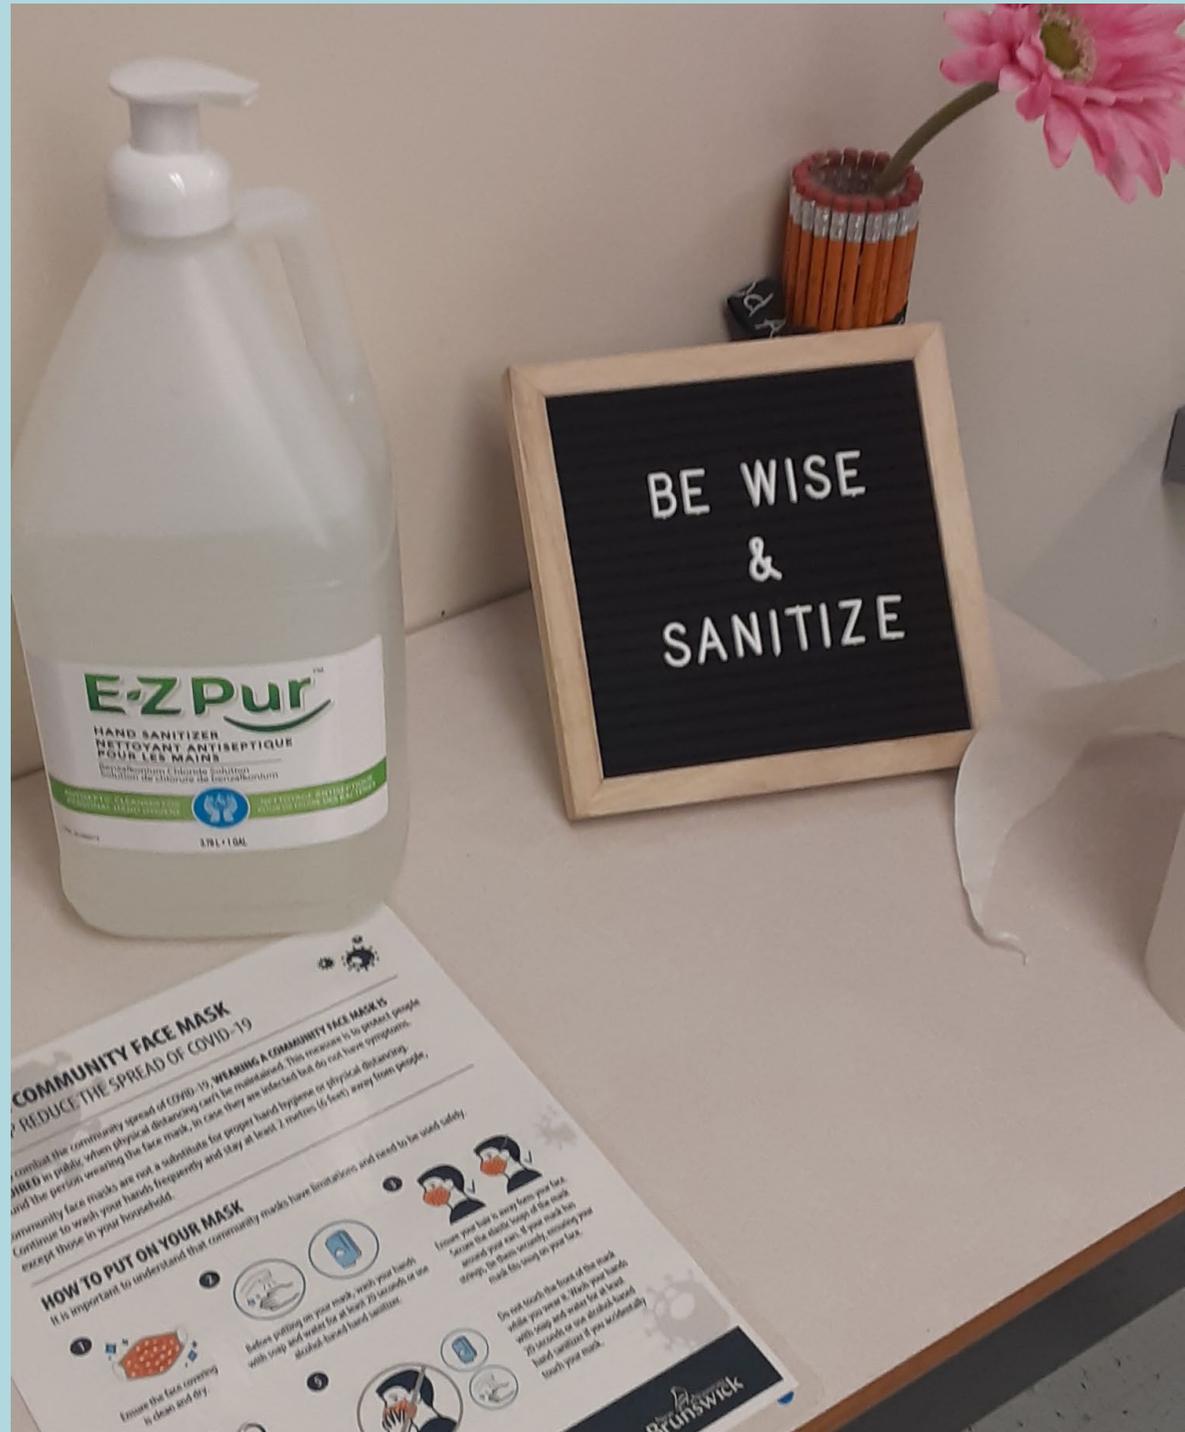

Section 13 – Mental Health

Section 14 – Additional Considerations

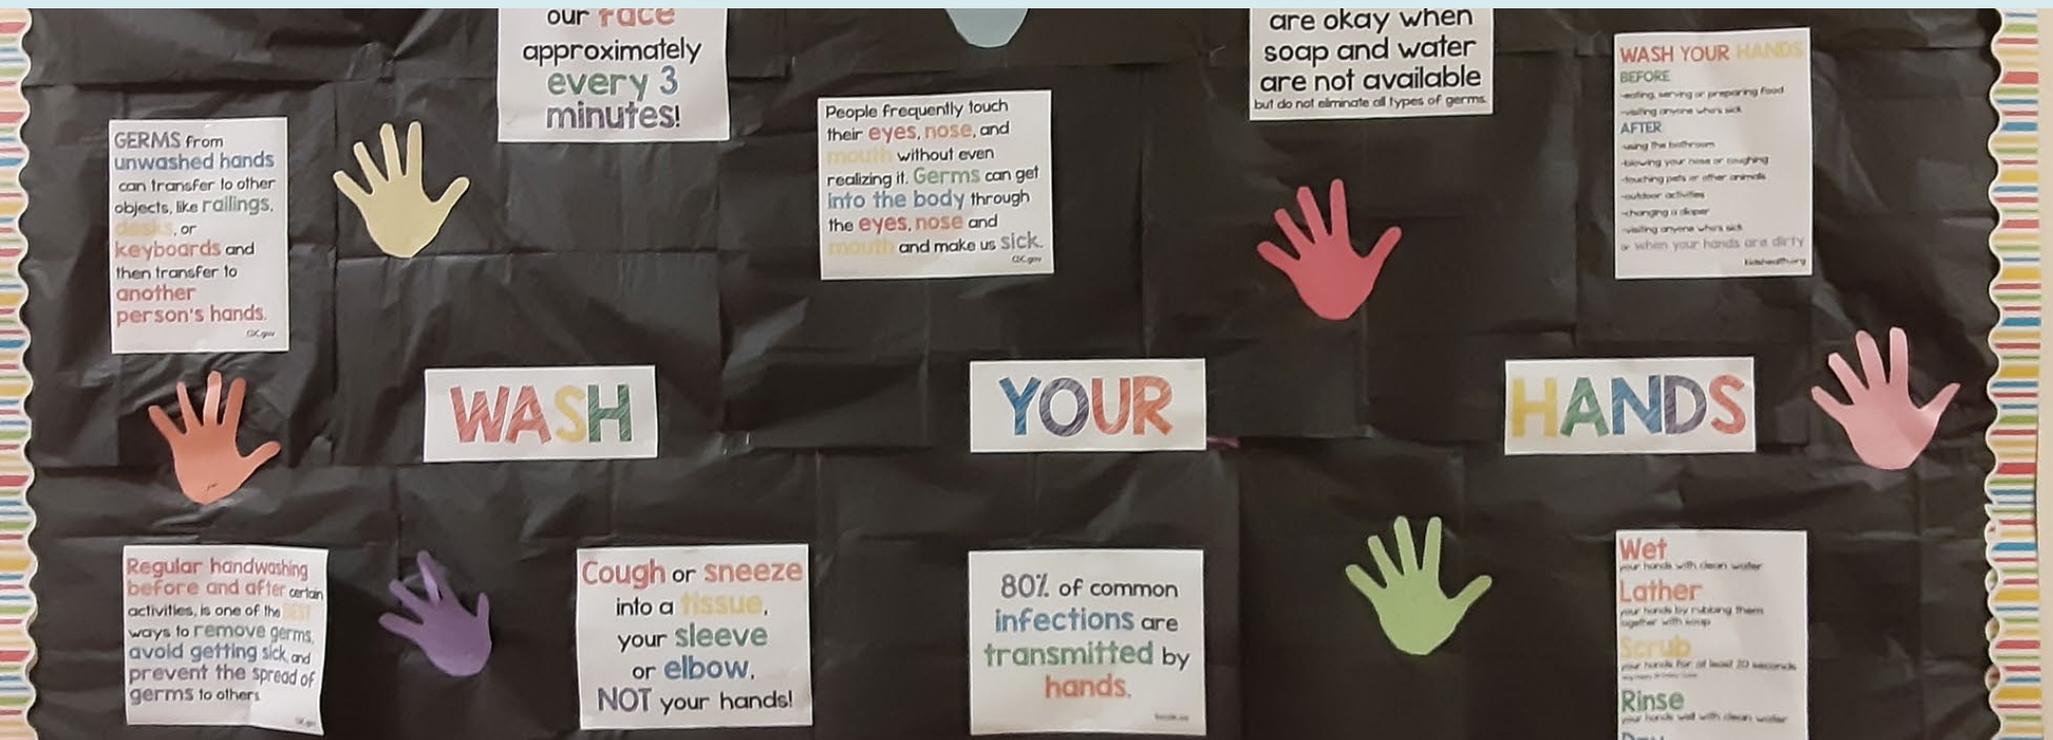

The EECD K-12 “Return to School September 2020” document is the comprehensive and first reference point for each section of this document.

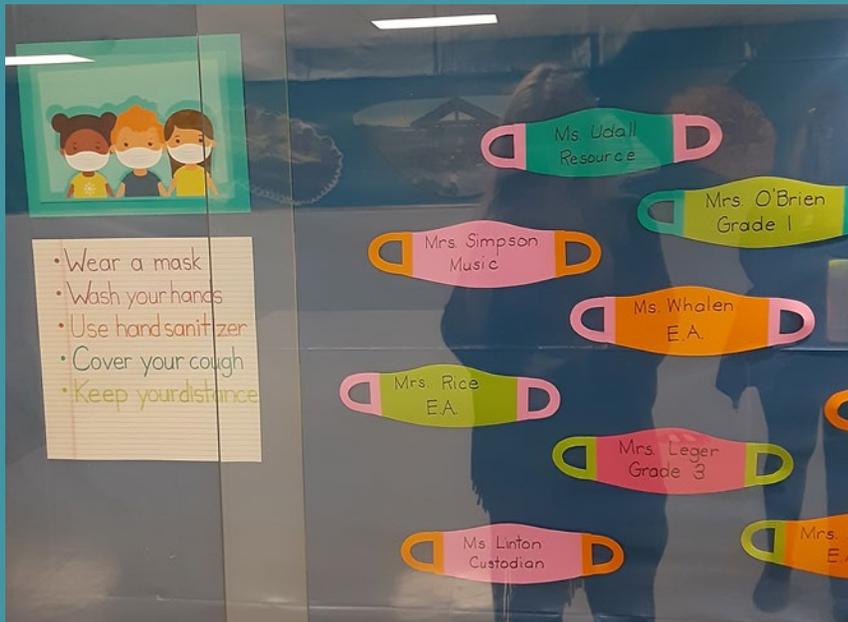

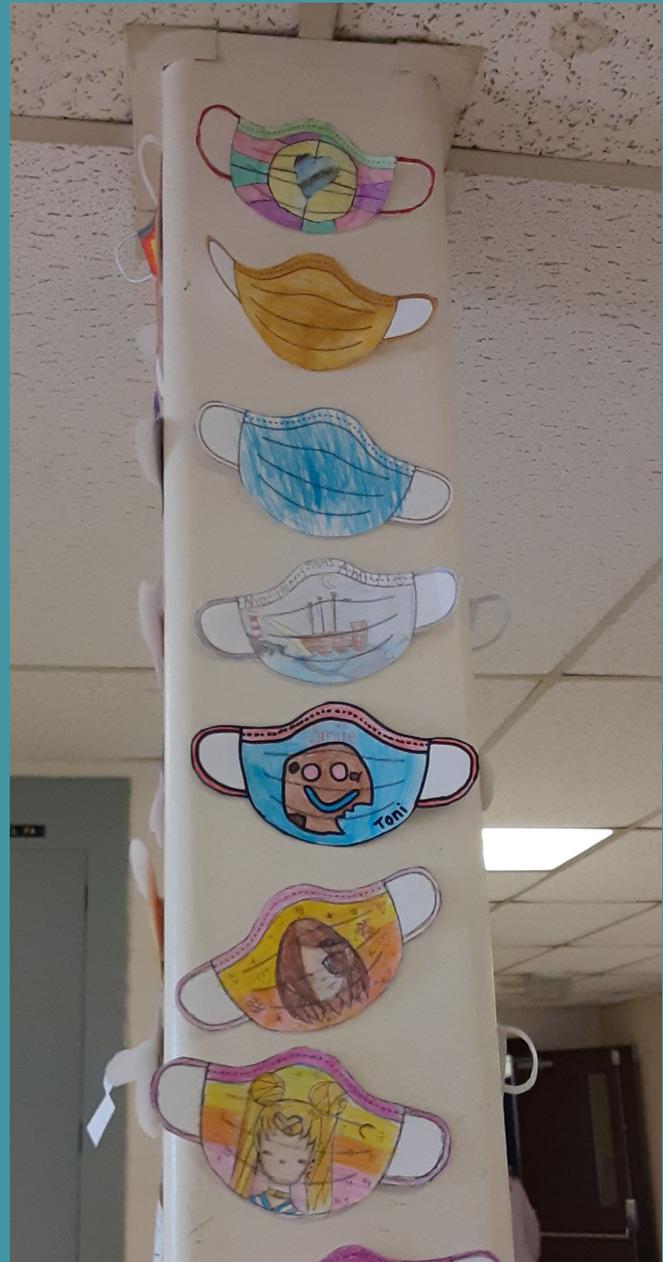

ASDS has performed walk throughs of each school to review their COVID-19 Operational Plans in action

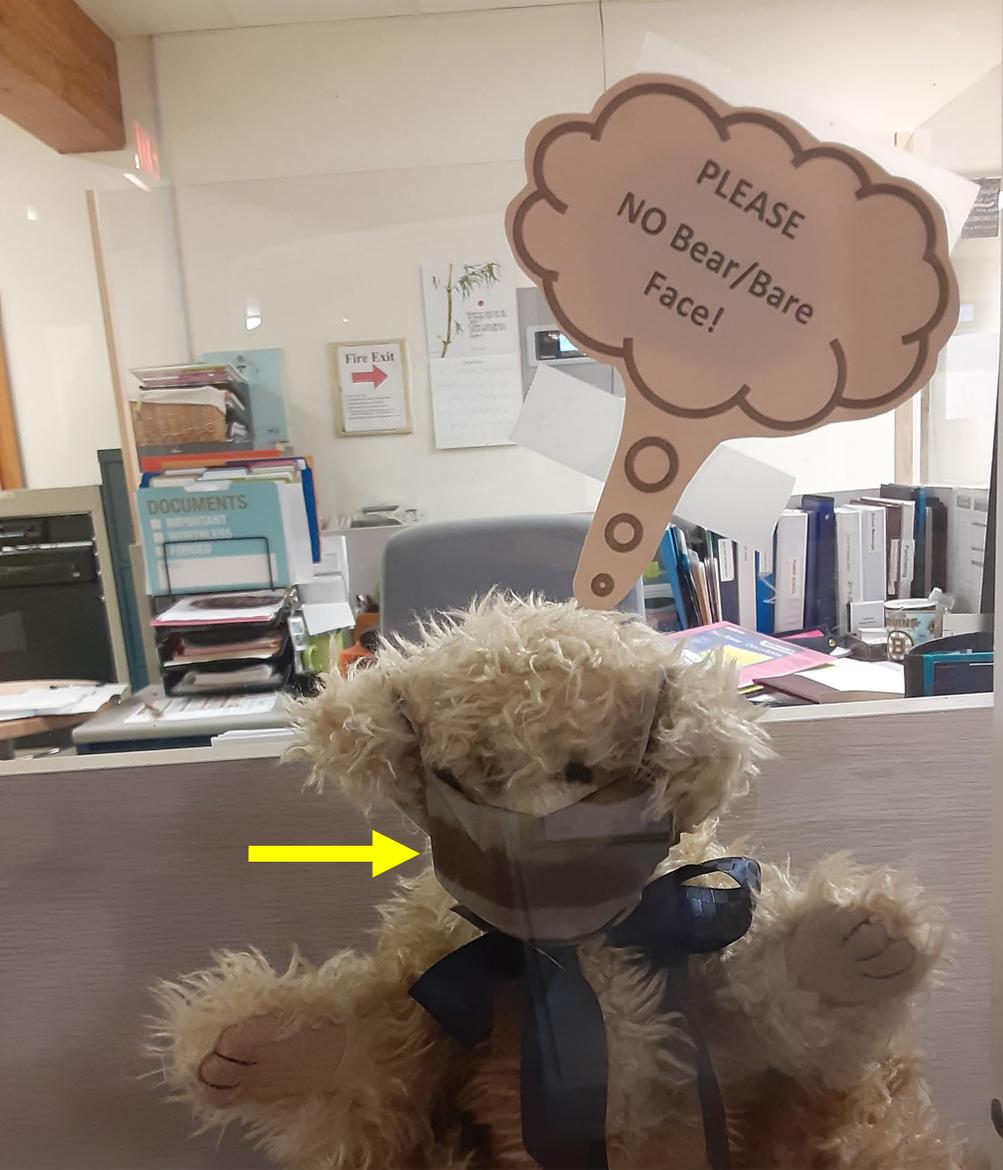

Schools have been embracing these changes and are full of creative ideas
