

ASDS Home Learning

Number of Teachers	7
Number of Tutors	9
Number of Students	114
Percentage of Parallel Learning	80%

Training

Tutors received training sessions on the following topics:

- Microsoft Teams
- Operational Plan Creation
- ASDS Working Alone – Code of Practice
- Best Practices in Literacy Education
- Best Practices in Numeracy Education
- Payroll
- Behaviour Management Strategies & Techniques

Resources

We provided tutors with:

- personal protective equipment such as masks, shields, and cleaning wipes.
- laptop computers to ensure efficient connections between tutors, schools, and students.
- several manipulatives and resources to aid in face-to-face work with students as part of the training sessions with numeracy and literacy coaches and coordinators.

We were also able to provide laptops on loan to Home Learning Students who needed technology.
