

Minister's Excellence in Education Award

Nomination Form 2020-2021 School Year

The purpose is to recognize and honour dynamic educators who display outstanding skills in supporting the diverse needs of all learners.

The Excellence in Education Award is designed to:

- recognize high calibre educators working in our early learning and child care centres and schools;
- enhance the image of public education in general and learning in particular; and
- inform the public about excellence in early learning and childcare centres and schools.

Awards

Ten educators will be selected to receive the Minister's Excellence in Education Award:

ASD-North: 2

ASD-East: 2

ASD-South: 3

ASD-West: 3

The awards will be presented by the school district's Superintendent on behalf of the Minister of Education and Early Childhood Development May 28th or June 4th, 2022.

Eligibility Criteria

All educators and administrators currently employed in the province's Anglophone school system are eligible to be nominated.

This includes educators throughout the public education system including schools and early learning and childcare centres.

Recipients are chosen for demonstrating **excellence** in the following **four areas**:

Innovative educational practices and leadership

- Demonstrate a deep commitment to education, and a personal accountability for learning.
- Demonstrate a thorough understanding of current pedagogical theory and effective practices.
- Continually gather evidence of learners' needs, strengths, and interests and provide feedback and support.
- Use strategies and activities that challenge and support learners to build problem-solving and teamwork skills, develop self-management habits, become critical thinkers and learners, be confident in their pursuit of knowledge and skills and demonstrate a value for relationships and community building.
- Use strategies and practices that include the development of literacy, numeracy, and social emotional learning.
- Use technology and innovative practices effectively to increase engagement and learning.
- Demonstrate leadership skills by sharing practices and encouraging professional growth in others.

Responding to the diverse needs of all learners

- Encourage and support each learner's physical, academic and social needs.
- Show flexibility, imagination and persistence in providing learners with opportunities for engagement in learning experiences and the community.
- Understand each learner's individual strengths and challenges.
- Ensure that appropriate accommodations and interventions are respected and in place.
- Recognize and provide various ways that learners to demonstrate their knowledge and skills.

Lifelong learning

- Demonstrate a commitment to personal continuous learning.
- Exhibit professionalism and participate in a professional learning community or organization.
- Contribute to the continuous improvement of the learning community based on current research.

Fostering a positive learning environment

- Actively participate in the development of a positive and effective learning environment.
- Manage activities and behaviour to foster an environment of respect and rapport where every learner feels safe and welcome.
- Nurture and recognize learners as they learn and contribute to the learning of others.
- Create and maintain a culture of high expectations for learners involving inquiry, innovation and risk-taking.
- Inspire learners to dream big, set ambitious goals, and plan for success.
- Challenge and support learners to take on leadership roles.
- Build relationships with individual learners and effective communications with families.
- Develop collaborative relationships with organizations to increase resources and find supports.

Selection of Recipients

- Minister's Excellence in Education Award recipients are chosen by the District Education Councils in co-operation with the Superintendent, District Early Childhood Directors, or designate.
- Nominees will be evaluated on the evidence of exemplary achievements in the four areas described above.

Nominations

- Nominations for the Excellence in Education Award may be submitted by individuals or groups (parents, colleagues, Parent School Support Committees, Home and School Associations, student councils, Board of Directors) in the nominee's school district.
- Individuals or teams or groups may be nominated for this award. If a team or group is recognized, please identify one member to attend the event to be presented with the award.

- District Education Council members and school district office employees (including the District Early Childhood Directors) are ineligible to submit nominations as they may be asked to participate in the selection process.
- Before submitting a nomination, you must obtain the nominee's consent.
- Complete the nomination form on the next two pages.
- Attach two letters of support from different individuals or groups.
 - Include compelling evidence of how the nominee is an exemplary educator based on the criteria listed in the four areas.
 - Include on the letter who wrote it and their role(s) (e.g., administrator, parent).
 - Letters should be no more than 2 pages.
- Send the completed form and the two letters to your school district office to the attention of the District Education Council Chair no later than **April 4th, 2022**.
- No individual or group may submit more than one nomination in a given school year.
