### Governance Update

I forwarded to you the feedback, etc. from the engagement sessions held by EECD with all DEC's. Council of DEC Chairs is recommending the engaging of a lobby firm regarding the proposed changes in governance. The latest communique which I sent to you seems to suggest that only the DEC's will be replaced and that PSSC's will return in some form.

### DEC Symposium

EECD had notified us that the symposium that was being planned for May has been postponed. Recently, an email from the ADM indicates that it will now take place during the weekend of November 25, 2022 at the Delta, Fredericton. I would urge you to attend.
