Dear Ms. Bauer:

**RE: Provincial Curriculum and Evaluation Advisory Committee representative**

This letter is in response to your February 16, 2021 correspondence advising that the 2<sup>nd</sup> successive mandate of Justin Tinker as representative for the Provincial Curriculum and Evaluation Advisory Committee was soon going to expire, and asking that the District Education Council Chair, Mr. Robert Fowler, submit the name of another individual to serve on the Committee. We delayed naming our representative until the new DEC was elected.

I am pleased to advise that Ms. Shelly Merrill-MacKillop has expressed her interest in serving on the Committee. The following is a brief biography for Ms. Merrill-MacKillop:

*Shelly is a life-long resident of eastern Charlotte County residing in Blacks Harbour and St. George both of which she served as a municipal councilor. She is married with one son and recently became a grandmother.*

*Shelly holds a Bachelor of Arts majoring in Psychology, a Bachelor of Education specializing in Social Studies and English, and a Masters in Education with a specialization in Exceptional Learners. She has also earned three college certificates with specializations in Human Services, Administrative Assistant and Assistive Technologies.*

*For the last 10 years she has been employed with NBCC, initially as a Student Accommodations Advisor which evolved into Learning Strategist and this past March, began her current position as an Academic Technology Specialist. Shelly joined the DEC in spring 2021 to fill a vacancy in her area, and was elected in May 2021 for a 4-year term.*

Ms. Merrill-MacKillop can be reached via email at [michelle.merrill-mackillop@nbed.nb.ca](mailto:michelle.merrill-mackillop@nbed.nb.ca) or by telephone at (506) 755-3094 for further discussion.

Thank you for considering our recommendation and we look forward to hearing from you.

Yours truly,

Roger Nesbitt, Chair  
Anglophone South School District Education Council
