The PILOT project

Thanks to Ms. Zoe Watson, Mr. Ryan Price, Mrs. Jennifer Carhart, Mr. Patrick McDade, Mrs. Rosemary Southard and Mrs. Jill Eckstone for their investment of both time and resources to make this possible.

A wider array of subjects available across the district

Limits the number of courses running with lower-than-average class sizes and ensures a steady offering.

A trusted partner in AP who champion the work of ASD-S

Ability to provide enrichment in accordance with Policy 322 and in line with Personalised Learning.

Collaboration between buildings creates strong connections amongst colleagues.

Youth connecting with equally passionate learners across the district.

Shifting a Mindset – Scoring a 1 or 2

Students who earn AP Exam scores of 1 or 2:

- Often earn a higher score on the next AP Exams they take
- Are more likely to attend university and graduate on time than students who don't take AP

“This means that taking your AP Exam and giving it your best effort sets you up for greater success in future AP classes and for a smoother transition to college.”

Trevor Packer @AP_Trevor · Sep 9

Did you know over 90% of college freshman who earned a 2 said they are doing well or very well in college courses that cover similar content? Learn more about the benefits of taking an AP Exam, regardless of what they score. spr.ly/6012MOwfK
