Councillor, Sub-district 5  
District Education Council  
Anglophone South School District

Attn: Roger Nesbitt  
Chair – District Education Council  
Anglophone South School District

Re: Letter of Resignation

Dear Roger,

With regret, I am writing to give you notice of my resignation as a councillor from Sub-district 5 of the District Education Council in the Anglophone South School District. I have accepted a position within the Department of Education and Early Childhood Development and therefore cannot remain on this council. My resignation is effective immediately.

It has been a pleasure and honour serving on the DEC. I have learned much and have great respect for my current and former DEC colleagues, Superintendent Zoe Watson, district staff, school staff, community partners, and the parents of our school communities. We have worked collaboratively, faced challenges, experienced successes, and accomplished much, all with the common goal of ensuring an excellent, inclusive education for the students of New Brunswick.

I wish this council, and you Roger, all the best as you continue with your mandate, and as you navigate the upcoming changes in governance.

Sincerely,

Heather Gillis
