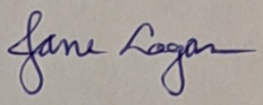
Roger,

Please accept my resignation from the District Education Council of Anglophone School District South. The demands of other obligations are changing this fall, impacting my schedule and making me unable to attend PSSC and DEC meetings to the degree I feel it necessary to be effective in the role. I am grateful for the experiences I have had in the last two years and for the connections I have made with other DEC members, ASD-S staff, and people in our school communities.

Sincerely,



Jane Logan
