Vice Principal: *Kim Hawkes*

Dear Parents,

At Barkers Point School we have a program to support our positive learning environment focusing on positive Character Traits. Throughout the school year we will be learning about the traits of gratitude, grit, optimism, self-control, social intelligence and zest. These will be highlighted through monthly assemblies and team meetings. We have divided the school into teams of K to 5 students to encourage and foster the goals of our positive learning environment. Each team has been given a colour to represent their team.

Throughout the school year students are encouraged to wear their team t-shirt or team colour for team meetings and special events. We will be ordering t-shirts for those families interested in purchasing a team colour shirt. The shirt will be your child's team colour with the Paws logo on it. The cost is **\$12.00 per shirt**. We will be continuing this program each year and children will remain on the same teams. Please take this into consideration when ordering the t-shirt size. For current students that have already had a t-shirt but would like to purchase another t-shirt for this school year, the cost will also be **\$12.00**.

Please return order form and money by Monday, December 11th . If you have any questions or concerns, please contact the school. If your child does not know their team colour, we will include it when ordering.
