

This week in Grade 3

April 24th - April 27th

Our words of the week:

1. everything
2. everybody
3. community
4. first
5. kinds

Literacy: This week we will be reviewing semicolons, quotation marks and introducing how to use parenthesis. Students are also working on mini book talks on a book of their choice to share with their peers.

Writing: We are finishing our letters unit and have had a chance to send them to different teachers and students in the school. Look for a marked letter in our SWYK's soon. This week we are beginning to write memoirs. Memoirs are stories about our lives.

Math: We have completed our first week of division and students are practicing placing a group of objects into equal groups. We are now working on relating division to multiplication.

Continue to practice your math facts each evening. This week we are working on the 3x facts and will have our Mad Math Minute test on Friday.
