

This week in Grade 3

April 2nd - April 6th

Our words of the week:

1. favourite
2. discover
3. don't
4. before
5. Impossible

Due to the short week last week, we will be reviewing the same words.

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to spell them and read them in a "snap".

Literacy: This week we will be reviewing commas in lists and dates, "i" before "e" except after "c", and introducing prepositions.

Writing: This week we will begin procedural writing. Students will be coming up with topic ideas and will begin the writing process.

Math: This week we will continue to review equal groups and repeated addition for multiplication. We will also learn about using arrays as well as related multiplication facts.
