

This week in Grade 3

Dec. 5 - Dec. 9

Our words of the week:

1. enough
2. through
3. would
4. were
5. won

Every Friday we will have a spelling test on the same words as last week. Please practice these words every night at home so your child knows how to **spell** them and **read** them in a “snap”. It is important that your child also understands the meaning of these words. Have them practice writing them in a sentence.

Literacy: This week we will be learning about adjectives and verbs and how to incorporate both into our writing. We will review compound words as well as similes and metaphors.

Writing: Ms. Hawkes will be working with us until Christmas in writing. This week we will be completing an independent writing piece to assess what we have learned from our time with Mrs. Hawkes.

Math: This week will continue to focus on estimating sums and will continue to work on rounding. Please continue practicing counting money at home. Remember to use the IXL website to help with extra math practice.

Social Studies: We will begin looking at land and water forms in New Brunswick.

Health: For the next few weeks, Mr. Campbell will be coming into the classroom to discuss friendship with us and how we act and speak to be friendly. Please remember to return your homework from Mr. Campbell for Monday.

Reminders:

Friday, December 9th - Movie Night 6-8pm

Thursday, December 15th - Christmas Concert 9-11

Monday, December 19th - Christmas Concert (storm date)

Friday, December 23rd - Last Day (½ Day)
