

This week in Grade 3

February 20th - 24th

Our words of the week:

1. question
2. that's
3. we're
4. buy
5. again

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to **spell** them and **read** them in a "snap". Students should be beginning to include contractions in their writing at this point in the year.

Literacy: This week we will review -tion and -sion. We are going to begin looking at special fonts that authors use in their writing to convey different meanings and will begin to include this in our writing. We are also going to look at how periods can also be used in initials as well as abbreviated words.

Writing: We will finish our fictional unit and a writing piece will be coming home in your child's SWYK. We will begin a new unit on literary essays.

Math: This week we will learn front-end addition to help us quickly add 2-digit numbers. Front end addition requires you to find the expanded form of a number and then add them together. We are looking at 10s and ones in 2-digit number this week.

Ex: $56 + 27 = ?$

$$50 + 20 = 70$$

$$6 + 7 = 13$$

$$70 + 13 = 83$$

Please make sure students are using IXL throughout the week to practice previous outcomes taught in class.

Reminders:

Wed. Feb 22nd - pancake breakfast

Thurs. Feb. 23rd - Hot Lunch Orders Due

Fri. Feb. 24th - PL Day - No School

Tues. Feb. 28th - skating 9:00 - 9:40
