

This week in Grade 3

Feb. 26th - March 2nd

Our words of the week:

1. right
2. write
3. just
4. off
5. vacation

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to spell them and read them in a "snap". Please make sure to practice with your child how to use the word in a sentence.

Literacy: This week we will be reviewing pronouns and periods for initials and looking at special fonts authors use to create more expression in their writing. Please make sure your child is reading every evening whether on Raz Kids or books from home. This will only help your child develop their reading skills.

Writing: Students have filled out their literary essay organizers and will be writing their literary essay of "The Paper Bag Princess" by Robert Munsch.

Math: This week we will be learning to add and subtract using base ten blocks as well as the traditional addition and subtraction with regrouping.

We continually work on our mental math skills. Please ask your child questions about rounding to the nearest 10 or 100. Also we have been really working on adding or subtracting 10 with 3 digit numbers. Ex: 10 less than 709 or 10 more than 192

Reminders:

Mon. Feb. 26th - Skating 9:00am

Tues. Feb. 27th - $\frac{1}{2}$ day for student's dismissal @ 11:00

March Break - March 5th- 9th

Winter Carnival Week Activities:

Mon. Feb 26th - Jersey Day

Tues. Feb 27th - Pajama Day

Wed. Feb. 28th - Pink Shirt Day

Thurs. March 1st - Crazy Hair Day

Fri. March 2nd - Superhero Day

It is so important that students return their communications bag daily. Many students have either lost or misplaced their communication bags which stops many items from going home. Please let me know if a child's communication bag is lost and it will be replaced. Thank you.
