

This week in Grade 3

Our words of the week:

1. prettiest
2. weather
3. whether
4. they've
5. trouble

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to spell them and read them in a "snap". Please make sure to practice with your child how to use the word in a sentence.

Literacy: This week we will be reviewing thesauruses as well as synonyms and antonyms. We will review silent letters, syllables as well as looking at hard and soft sounds for g. Please remember to read each night for 20 minutes either with books from home, school or on Raz-kids.

Writing: This week, students will be completing an independent writing piece on a fictional story. Please look for this in their SWYK folder in the next few weeks.

Math: We are off to a great start in our addition/subtraction unit. This week we are working on different strategies to add two 2-digit numbers. EX: $45+23$
Students this week will be focusing on adding and subtracting on a 100 chart and will begin looking at how to use a number line with jumps of 10s and 1s.
