

This week in Grade 3

Mar. 19th - March 23rd

Our words of the week:

1. everybody
2. everything
3. first
4. community
5. hidden

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to spell them and read them in a “snap”.

Literacy: This week we will be reviewing the long e sound (ee/ea). We will also be looking at regular/irregular past tense verbs for the remainder of the week. Please ensure your child is reading at home or is being read to. This will only help your child in the end.

Writing: A good copy of your child's literary essay of The Paper Bag Princess will be coming home in their SWYK. This was not an independent writing piece, therefore it has not been marked. It is going home to show you, with support, what they are getting done in class at this point. Please note that an independent marked piece will be coming home shortly before report cards.

Math: This week we will be using base ten blocks to help us add and subtract 3-digit numbers and will begin looking at traditional addition and subtraction with 3-digit numbers as well.

Reminders:

- Thurs. Mar. 22nd - Hot Lunch \$ due
- Tues. Mar. 27th - PL Day (No School)
- Fri. Mar. 30th - Good Friday (No School)

It is so important that students return their communications bag daily. Many students have either lost or misplaced their communication bags which stops many items from going home. Please let me know if a child's communication bag is lost and it will be replaced. Thank you.
