

This week in Grade 3

Nov. 28 - Dec. 2

Our words of the week:

1. enough
2. through
3. would
4. were
5. won

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to spell them and read them in a “snap”.

Literacy: This week we will be learning about silent letters within words like gh (through), l (walk), w (write), t (listen). We will learn about adjectives and how to start using these describing words in our writing. We will review similes and metaphors.

Writing: Ms. Hawkes will be working with us until Christmas in writing. This week we will look at the following writing traits: conventions and sentence fluency. Ms. Hawkes is focusing on how to end our stories and include dialogue.

Math: This week will continue to focus on estimation strategies as well as rounding to the nearest 100. Please continue practicing counting money at home. Remember to use the IXL website to help with extra math practice.

Social Studies: We will begin looking at land and water forms in New Brunswick.

Health: For the next few weeks, Mr. Campbell will be coming into the classroom to discuss friendship with us and how we act and speak to be friendly. Please remember to return your homework from Mr. Campbell for Monday.

Reminders:

Tuesday, Nov. 29 - Team Meeting (wear colour shirt)

Mon., Nov 28 - Fri, Dec. 2 - Career Week
