

# This week in Grade 3

## Our words of the week:

1. get
2. best
3. that
4. play
5. night

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to spell them and read them in a “snap”.

A list of different ways to practice these words was sent home last week.

## Reading:

Take-home books are coming home today. Please read with your child and/or have them read every night this week. Please remember that take home books come back to school on Friday. If they are not returned, new books will not go home the following Monday. A Raz Kids login/password was sent home last week.

## Show what you know:

Your child's “Show What You Know” duo-tang will be coming home Monday. Please sign all items and look over work with your child to help them understand any mistakes that may have been made.

## Math:

We will begin decreasing patterns this week and will be wrapping up our patterns unit. Please look at the increasing numbers quiz with your child from their “show what you know” duo-tang and practice these at home.

## Dates to Remember

Tuesday, September 26 → early dismissal 10:45

Friday, September 29 → \$50.00 student fee due
