

This Week in Grade 3/4 - Dec. 5 - Dec. 9

Words of the Week:

before, through, threw, one, won

Due to the snowstorms we will have the same words as last week. Please practice these each evening as we have a spelling test on them this Friday. Students should be able to read and spell them in a snap.

Reading Log:

Please be sure your child is reading nightly. This month we're working on summarizing and finding the main idea. *Please sign the reading log in their home books by Thursday to let me know how often they practiced that week.*

Math:

Ms. Hawkes will be working with us until Christmas in Math. We are finishing up with estimation and rounding this week look for an assessment piece in their SWYK duotang soon. Please have your child work on the IXL website for extra math practice—search estimation/rounding to find related questions on IXL.

Literacy:

This week we are working on verbs and compound words. We will continue to practice using similes and metaphors. We are beginning to use organizers to plan our writing.

Social Studies:

We are continuing to work on being able to describe the major physical features, climates and vegetation of our province and the Atlantic region. This week our focus is important landforms in New Brunswick
