

This Week in Grade 3/4 - Jan.10th - Jan. 13th

Words of the Week:

can't, didn't, I'm, don't, into

Please practice these each evening as we have a spelling test on them this Friday. Students should be able to read and spell them in a snap!

Reading Log:

Please be sure your child is reading nightly. This month we will continue to work on summarizing and finding the main idea in fiction and non-fiction books. *Please sign the reading log in their home books by Thursday to let me know how often they practiced that week.*

Math:

We are diving into our subtraction and addition unit this month. This is a very important unit so you may see practice sheets/games coming home throughout the unit for extra practice. Students will work on things such as, making 10, using doubles, manipulating 2 and 3 digit numbers, word problems and much more.

Literacy:

This week we will be working on "powerful" verbs to enhance our writing and the sounds "ure" and "ture" found in words. In writing, we will begin working on short fiction stories.

Science:

We will begin working on a Magnetic unit. We will learn about different invisible forces.

Reminders

- Thursday, January 12th - Hot Lunch Begins for those who ordered.
- Thursday, January 26th - Hot lunch orders due for February
