

# This Week in Grade 3/4 - March 13<sup>th</sup> – March 17<sup>th</sup>

Words of the Week:

could, wouldn't, pretty, prettiest, your

Please practice these each evening as we have a spelling test on them Friday. Students should be able to read and spell them in a snap!

**Math:**

This week we will be learning how to use all of the strategies we learned for 2-digit numbers with 3-digit numbers. Please have your child practice 2-digit addition and subtraction using each strategy: (front end addition, open number line, base ten materials, hundred chart, traditional) using the 2-digit addition spinner.

**Literacy:** This week we will review possessive nouns, words with the sound ee/ea and irregular verbs.

**Writing:**

We are continuing to write our literary essays this week. Ask your child what book we are focusing on. We still need to make sure we are including the traits of writing in our essays (ideas, organization, word choice, voice conventions, sentence fluency), as well as making sure we are grabbing our readers' attention.

**Social Studies:**

We are beginning our unit on what it means to explore and different things you can explore.
