

This Week in Grade 5

January 22-26

Important Dates:

Tuesday, January 23rd - Hat Day \$1.00

Thursday, January 25 - Hot lunch orders due / Zumba at lunch \$2.00

February 6 & February 13 - We will be going skating on these dates. If your child does not have a pair of skates to use, please contact me as soon as possible with their size.

Our Learning Goals:

- Français (Unit #3: Clothing): This week we will be finishing up our unit on Clothing. We will be learning about how to describe different clothing that we wear depending on different situations. We will also be reviewing key phrases that we have learned thus far.
- Math (Multiplication and Division): This week we are continuing to work on using two strategies (compatible numbers and front-end rounding) to estimate products and quotients. There are great review questions of this concept on www.ixl.com

Homework:

- Reading Log (due Friday)
- Multiplication practice

Have a fantastic week, everyone!
