Exams should be designed to take approximately 2 hours to write. **Students must remain in the classroom for 1 ½ hours.** Teachers will start the exam at 8:30 a.m. and may dismiss at 10:00 a.m. those students who have finished. Students must go to the cafeteria or entrance to wait for a drive. They should not be in the high school wing while exams are being written. Students should take their hats, jackets, books, etc. to the exam room at 8:30 a.m. as they will not be allowed to go to their homerooms after they finish their exams. **A Study Hall will begin at 11:00 a.m. each day for those students who have not left the building after their morning exam.**

Students must bring written permission (one note indicating permission for the entire week) from home to leave school after exams are finished each day. Homeroom teachers must keep the notes on file. Please alert the office as to which students do have permission to leave after each exam.
