June 2017

Dear Families,

It's time to start thinking about next school year! Instead of providing lists of supplies for the parents to send to school, we purchase quality school supplies for the children and we are asking for \$45 to do so. Various materials that your child will use throughout the year, including notebooks, markers, glue, pencils, craft items, etc. will be purchased with the money. Please contact us at the school if you have any questions or concerns.

Along with the \$45, you will need to provide these items for your child:

- A bookbag (big enough for paintings, picture books, bulky crafts, etc.).
- A lunch box.
- One box of Large Zip-Loc bags.
- One box of Small Zip-Loc bags.
- An extra set of clothes (T shirt, shorts/pants, extra socks, and underwear) in a labeled bag.
- Non-marking sneakers to wear inside the school (please purchase slip-on or Velcro styles unless your child ties laces independently).

**Please label all of your child's clothing.**

The \$45 school fee can be paid in September. Cheques should be made payable to Keswick Ridge School.

Sincerely,

The K-2 Team
