

**SUPPLY LIST**  
**GRADE 8**  
**House of Saint John STEAMBOATS**  
**GEORGE STREET MIDDLE SCHOOL**

\$10 GRADE 8 SCHOOL SUPPLY FEE to be paid to HR teacher:

**DO NOT BUY THE FOLLOWING**: glue sticks, scotch tape, scissors, extra fine point Sharpies, rulers, post-it notes, liquid paper, markers, construction paper, graph paper, protractors. We will purchase these and have them for students to use when needed.

**Grade 8 floor BYOD technology**: Your children will use technology on a regular basis in grade 8 and have a student wi-fi that they can use. If you have ever considered purchasing a netbook for your child, this would be the year. We do have some netbooks and tablets available for the students to use, but we have found that students who bring in their own device can get to work faster and have fewer issues with software discrepancies. To get a sense of some of the work your kids will be doing, here are the websites of 2 LA teachers, Mrs Kelly and Mr. Stone – [www.stephenstone.wix.com/kellystonela8](http://www.stephenstone.wix.com/kellystonela8)

**- A memory stick for the computer**
