Dear CSS Parents/Guardians:

Thank you for your support with Friday's early dismissal for CSS. Although these are rare occurrences, they do provide valuable feedback to us as we develop communication strategies for our school community. We would like to share some of what we have learned and ask that you help us for the identified areas:

- REMIND provided to be an invaluable tool for us to get the word out in a timely fashion and allow parents to organize for their children. It is essential that as many families as possible be on REMIND. As a result, the reverse of this letter has the instructions for joining.
- During inclement weather months, staying on top of the weather conditions is a shared responsibility. We would ask that the contact numbers you have provided to the school be accessible during school hours if at all possible.
- If you need to update your information, please do so by emailing our Admin Assistant, Ingrid Warris, at Ingrid.warris@nbed.nb.ca as soon as possible.
- It is essential that the school have more than one contact number on file.
- Lastly, any changes to after school plans should be communicated to homeroom teachers. We need parental permission before releasing a child to another parent or caregiver.

Thank you for working with us to keep your children safe!

Sincerely,

Ms. Barb Corbett, Principal
