REMIND App: How do I join my child's grade?

Dear Parents/Guardians,

REMIND is an effective and efficient tool to communicate school information and updates with parents and guardians at Connaught Street School. The SchoolMessenger application will also remain in practice for emergency situations and student attendance.

What do I have to do?

- *If Remind App is already downloaded on your phone:*

Join your child's class with one of the following codes.

GRADE	Remind App Code for joining a class
CSS Kindergarten 2021-2022	○ @css-k21
CSS Grade 1	○ @css-1
CSS Grade 2	○ @css-2
CSS Grade 3	○ @css-3
CSS Grade 4	○ @css-4
CSS Grade 5	○ @css-5

- *If you need to download the Remind App:*

Download the **free** Remind App on your phone or computer, sign in and join your child's class using the correct Remind App Code as stated above.

Please feel welcome to call **(506) 453-5404** or email ingrid.warris@nbed.nb.ca if you need assistance setting up your REMIND function on your cell phone or computer.

At CSS, we care, we share and are fair!
