TOTALS: Please write the total number of bags you have sold	
20 lb bag	X _____
50 lb bag	X _____

POTATO CAMPAIGN: ADDITIONAL DETAILS

For what purposes is this money being used?

The money collected from this campaign goes directly back to students in funding Devon Middle School activities and supplies.

From where are these potatoes sourced?

These russet potatoes are locally sourced from New Brunswick at Mountain View Ltd.

How do I collect my potatoes?

Potatoes cannot be placed on school busses, so they must be collected at the office on December 19 - 21 between 7:40 AM – 4:00 PM. It would be helpful if you arrived knowing the name of your child's homeroom teacher.

How do I pay for the potatoes?

All potatoes must be pre-ordered by December 14. Payments can be accepted at any time during the campaign by your student's homeroom teacher. No late payments or requests can be accepted. It would be much appreciated if bills or cheques are used rather than coins.

Prizes

Student Prizes Students will be provided a ballot for every two bags of potatoes that are sold. Prizes valued at \$20 or more will be drawn daily.

Classroom Prizes If 2 bags of potatoes are sold per student in your class (e.g. a class of 20 students would need 40 bags of potatoes), your class will earn a DQ Ice cream party.

If 4 bags of potatoes are sold per student (on average), an ice cream cake party AND a pizza party will be provided to your class.

School Prize If 1000 bags of potatoes are sold, Mr. Gallant and Ms. Oxford will dress as Branch and Poppy from the movie "Trolls" and sing True Colors.
