---

Covid-19 has been upgraded to a Pandemic and New Brunswick has its first official confirmed case. Various restrictions and guidelines are in place from EECD to help minimize the risk of exposure to students and staff, including the closure of all New Brunswick Schools for 2 weeks.

Community Use of Schools is cancelled effective Monday, March 16, 2020 until further notice.

We understand this may cause some inconvenience but believe it is important to maintain consistency with the direction of our Province. We will communicate with you in the near future regarding next steps and any additional information related to this matter that we can share.
