Hanwell Catchment Area

The upper boundary of the proposed catchment is the Trans-Canada Highway.

Students residing in the proposed catchment area for Hanwell School are highlighted in **RED**.

Students zoned to other schools, including when Hanwell School is in operation, are highlighted in **GREEN**.

The **Blue Star** is the approximate school location.

Please note: the overall shading of green on the map is indicative of part of the catchment area for students that currently attend Priestman Street Elementary School and George Street Middle School.

Please Note: Catchment areas are determined by the district as per Section 11(1) of the *Education Act*. These notes constitute our initial planning and are not the final declaration of the catchment area for the new Hanwell School.
