FREDERICTON COMMUNITY KITCHENS INC. STUDENT HUNGER PROGRAM

ANNUAL UNDERCOATING EVENT

SPONSORED BY:

FREDERICTON COMMUNITY KITCHENS INC.

STUDENT HUNGER PROGRAM

As surprising as it is, there are hundreds of local Fredericton children going to school hungry and with no lunch each day. Studies have proven that students cannot pay attention, learn and develop physically or mentally without proper nutrition. The Fredericton Community Kitchens has developed a program with 18 local schools and will provide over 70,000 lunches and over 2,500 backpacks filled with non perishable food in the next school year. They can only do this with the community's involvement and fundraising events. We ask for your help by taking part in this undercoating program which will help protect your vehicle and at the same time, help a child feel protected from the effects of hunger.

Thank you for being part of the solution.

WWW.FREDERICTONCOMMUNITYKITCHEN.COM

We, at Wonder Auto & Tire, are excited to participate in the Student Hunger Program by providing an undercoating service which will protect your vehicle from premature rusting and corrosion. Since 1977 Wonder Auto & Tire has served the Fredericton community, and we are proud to be able to be part of the solution. Last year we raised \$40,000 with almost 600 vehicles undercoated. Wonder Auto & Tire will donate **100% of all funds raised** to the Fredericton Community Kitchen's Student Hunger Program!

Wonder Auto & Tire is Proud to Partner with
The GAP Group of Companies
Manufacturer of

UNDERCOATING
Made in Fredericton, NB

The average undercoating underbody service costs up to **\$125.00**, but we will perform this service for a donation of:

\$60/ Per Vehicle

Event runs from:
September - October 2018
