

Dear Parents,

We will be having the Fredericton SPCA come to our school on November 15 and 17. This important community organization will deliver a fun and engaging presentation to each classroom about pet care and safety around animals.

Forest Hill School will be collecting donations of dog and cat food, treats, toys, and pet care items to present to the SPCA when they visit our school. This is a great lesson in giving back to our community.

If you are able to donate any of the following items (from the SPCA wish list) please send them to school with your child before November 15.

Thank you for your support! Please contact me if you have any questions.
