Renaissance Initiatives:

Not SRC based but would like to have more folks involved to boost school morale.

Ideas they have come up with are:

- Teacher Room Service: Choose items from a menu and they are delivered to them
- Grad Map: Using a map, place a pin on the locations of where all the graduating class are headed to next.
- Teacher Playlists: Compile a list of their favourite songs.
- Teacher Resume: Compile a collective list of the various degrees for all the staff. The idea of “We are Qualified”.

DEC update:

- Hayden Sparkes will be the DEC student and it is a paid position. He may be able to attend the PSSC meetings.

Teacher representative update – A. Rutledge gave an update on some things happening at school: *see attachment provided*
