Dear Parents,

It is almost time for course selections to begin at Fredericton High School. Students will be able to access their portal site during this time and choose their courses for the next school year. Parents will also be able to help with their child's course selection through their PowerSchool Public Portal site accounts. If you have not already been to the office to register for access to this site, then please do so at your earliest convenience.

Here are some simple steps to help you navigate through this process if you are helping your child with their course selections through the parent portal site:

1. After you have logged in (<https://sisasdw.nbed.nb.ca/public/home.html>), click on your child's name to pick courses for that student (all students registered to your account should appear in the top left of the page).

2. Click on  in the left column menu.
3. You will then be taken to the Class Registration screen. Please verify the name of the student you are picking courses for (which can be found at the top of the screen).
4. If no courses have been picked, then you should see at the bottom "Requesting 0 credit hours."

Click on the pencil button at the top right of the page beside the red exclamation point: .

5. You should then see a new screen pop up that looks like the following:

Grade 10 Selections				
Please select 9 courses - English 10 is a year long course				
<input checked="" type="checkbox"/>	Course Name	Number	Course Description	Credits
<input type="checkbox"/>	BB Tech (90h) 10	IETED0100		0

<input type="checkbox"/>	FI Geo Meas & Fin 10	MFFMJ0100		0
<input type="checkbox"/>	FI Num Rel & Fun 10	MFFMM0100		0
<input type="checkbox"/>	FI Science 10	SFGEA0100		0

<input type="checkbox"/>	FILA 10 (Gr 6 Entry)	SLLAB0100		0
<input type="checkbox"/>	Fin & Work Math 110	MEPWA1100		1

From here you will click on the checkbox beside the course your child is selecting for the 2020-2021 school year. Courses are listed alphabetically, and you can click on the page numbers at the bottom to navigate through all available courses for your child's grade level. Please pay careful attention to FI courses, which are listed under F.

6. Once you have begun selecting courses a message long the bottom of that window will appear (such as the following):

✓ You may select between 1 and 9 courses. You have selected 8 course(s).

Students need to have 9 courses picked for grade 10 as English 10 is a full year course.

7. Once you are done selecting courses, click Okay and then you will be taken back to the Class Registration page. Please count the number of courses that have been selected; there should be 9. Click Submit when you have verified these courses for the correct student.
8. You will then be taken to a summary page that lists the selected courses like so:
