

# Digital Media Production CO-OP 120

## THE DAILY ROAR

### APPLICATION FORM

Digital Media Production 120 is a unique learning opportunity offered at FHS. This **2 credit coop** course will allow students to learn and apply a variety of skills associated with producing a vital part of our school's communication plan, The Daily Roar. No prior knowledge of video production is necessary, and this course is open to all grade 11 and grade 12 students. Please be advised that this course will involve an **8 week work term** with a local business; **travel to and from work will be the responsibility of the student.**
