

Summer Camp China

China

July 5 - 22, 2017

Summer Camp - Students and chaperones will travel from New Brunswick to China and visit various Concord Colleges of Sino-Canada located in Beijing, Qingdao, Harbin, Guiyang, Xi'an, Lanzhou, Shenzhen and Hefei.

The College will organize a program consisting of classroom instruction including introductory courses in Chinese culture, language, martial arts, etc. Participants will also visit major cultural and historic sites including the Great Wall, Tiananmen Square, and The Forbidden City.

At the same time, Chinese students will take part in an English language program. Activities will be scheduled so that New Brunswick and Chinese students can join together in activities, to reinforce skills in both languages.

Summer Camp China

Summer Camp Details:

- * Accommodations; student dormitories on campus (accommodations are similar to university dormitories in Canada)
- * 2-4 New Brunswick and Chinese students per room
- * Washroom and shower facilities on each floor/wing of the dormitory
- * Female and male dormitories are separate
- * Each dormitory is chaperoned by a Chinese teacher/worker (dormitory rules are mandatory & NB chaperones are close by)
- * Provided meals; typical cafeteria-style Chinese food, with some opportunity to experience meals in Chinese restaurants
- * All in country transportation provided
- * During the first weekend, the New Brunswick students will be hosted by a Chinese family in their home

Orientation Session will be held prior to departure in early June. It is expected that all participants and their parents/guardians, attend these sessions. Important information will be distributed, as well as the opportunity to meet other participants and chaperones.

Atlantic Education International (AEI) is an incorporated agency which manages and coordinates the international education programs and services for the New Brunswick Department of Education and Early Childhood Development. It serves as the point of contact and coordination of international education matters including marketing and building capacity for further expansion.
