

Music At Home 3-5

Activity #1 Musical Scavenger Hunt! I have attached a copy of the scavenger hunt sheet or you can make your own. Answer the musical questions about yourself first and then call or video chat a few friends to see if your musical interests and ideas are the same!

Activity #2 Music Listening Journal- Using the template below, create your own listening journal. All you will need is a pen, paper and some good music! Listen to a song each day today and write a response like the one below.
