Even Steven

Material:

-2 or more players

-2 dice

-scoresheet/whiteboard

How to play:

1. Each player starts with 50 points.

2. Roll 2 dice and add.

3. If the SUM is even, add it to your score. If the SUM is odd, subtract is from your score.

4. The first person to reach 100 points WINS.

*What will happen if a player's score goes below zero?

VARIATIONS:

1. Instead of finding the sum of the two dice, find the product.

2. Play to a 3-digit number to win.

3. Start at a 3-digit number.
